The album cover features a central image of a person's face in profile, rendered in a high-contrast, red-tinted style with digital, wavy patterns overlaid. To the right, a vertical column contains five globe icons, each with a grid pattern. The word 'ASTRONAUT!' is written in a circular arrangement around each globe. Below the main image, there is a block of binary code (0s and 1s) and a smaller red-tinted image. At the bottom, there is a barcode, the 'compact disc DIGITAL AUDIO' logo, the title 'ASTRONAUT!' in a stylized font, and a descriptive tagline.
